

But neither the wisest constitution nor the wisest laws will secure the liberty and happiness of a people whose manners are universally corrupt. He therefore is the truest friend to the liberty of his country who tries most to promote its virtue, and who, so far as his power and influence extend, will not suffer a man to be chosen into any office of power and trust who is not a wise and virtuous man.

Constitution Party of Pennsylvania

A Third-Party Cannot Win

When the Republican Party was created, it took only six years to win the Presidency. The Constitution Party has been around for thirty years and has already achieved the status of a National Party. The Constitution Party of Pennsylvania works to get members elected to local and State offices in the Commonwealth of Pennsylvania. Local elections are much easier to win, and as local wins accumulate, State-wide races get much easier to win.

It takes too long to get a third party to where it can win, and we do not have the time to wait in our current situation.

As stated above, the newly created Republican Party was able to win the presidency within six years of its creation. The Constitution Party is well established and has won races across the country. The damage caused by the Democrat and Republican parties is driving away voters from those parties and the Constitution Party is growing quickly as a result. The faster these

disaffected individuals find a home in the Constitution Party, the faster the Constitution Party will win major races.

I Cannot Waste My Vote on A Third-Party Candidate

A person who votes for the Democrat or Republican Parties, knowing those parties will not represent that individual's ideals and principles, wastes their vote. This is especially true in States where one party has a large, numbers advantage over the other and where the one party has little chance of winning and the other party needs no support to win.

Voting for the Constitution Party candidates shows the Democrat and Republican Parties that they cannot continue to abuse the Rights of the People and expect the people to vote for them. Voting for the Constitution Party candidates also has the advantage of being able to vote for candidates that *actually* represent your ideals and principles and who will protect your Rights.

A Few Third-Party Wins Cannot Stop the Corruption

A few wins will lead to more visibility and more members and more candidates in the Constitution Party. The continued increase will lead to more wins and more power to stop corruption and to Protect individual Rights from the government.

Corruption cannot be stopped by people who continue to vote *for* corruption.

The Constitution Party National Platform

We declare the platform of the Constitution Party to be predicated on the principles of The Declaration of Independence, The Constitution of the United States and The Bill of Rights According to the original intent of the Founding Fathers. These founding documents are the foundation of our Liberty and the Supreme Law of the Land.

The sole purpose of government, as stated in the Declaration of Independence, is to secure our unalienable rights given us by our Creator. When Government grows beyond this scope, it is usurpation, and liberty is compromised.

We believe the major issues we face today are best solved by a renewed allegiance to the original intent of these founding documents.
